

Terms and Conditions Contact Forum 2025

Contract

The contract is regarded to be made when the limited company or other organization (later: company) has accepted the terms and conditions and submitted the order form via the system used by CF-Opiskelijamessut Oy ("the organizer") or otherwise agreed on a deal in writing with the organizer.

Reclamation must be made within two weeks if the company is disagreeing with the content of the contract or its interest was not to bind itself by a contract.

On Contact Forum event day, the company can bring only its own marketing material to its event stand.

Invoicing and Booking Payments

As an advance booking payment, 50 % of the event package's total price is charged within twenty-eight (28) days from sending a separate invoice. The payment terms for all invoices are 14 days net unless otherwise agreed with the company.

Fair package means the product packages described in the sales brochure, consisting of, for example, stand structures, prints and lighting. The organiser charges the company separately for any other services ordered from the organiser and used by the company. The balance of the exhibition package and any additional services ordered must be paid to the account specified by the organiser (below) by the due date specified on the invoice.

Cancellation Policy

The company may cancel its participation in the event free of charge by giving written notice of cancellation within 14 days of the booking. After that, the company can still cancel its participation by giving notice in writing by September 1, 2024, but is still obliged to pay half (50%) of the price of the ordered event package. If the company cancels its participation after September 1, 2024, the company is obliged to pay the full price of the ordered event package (100%).

If the event can't be arranged safely at the planned date, Contact Forum will find another date as close the original date as possible.

Both parties will be released from this agreement in the event of a force majeure event, such as fire, flood, earthquake, war, epidemic or strike, if these circumstances directly affect the organization of Contact Forum 2025. In these cases of force majeure, the primary solution is to arrange a Contact Forum 2025 at some other time. If the new date does not suit the company, the organizer reserves the right to charge 40% of the price of the event package from the company.
